

Compact organizer

11x17 Wire Frame File Cart offers convenient filing storage with the capability of rolling the cart under a table or many different work surfaces for even more convenience. The hanging folder frame holds 11x17 hanging file folders (5038) and the folders hold any 11x17 paper. The cart includes added space; enough to accommodate any 2" poly binders. The black scratch-resistant powder coat finish and the four easy rolling swivel wheels make this an all around great item to have.
